Toshiba recommends Windows® 7.

Features

From 8.3mm 1.12kg

Ultra Thin, Ultra Light
Only 8.3mm at the thinnest point, weighing 1.12kg with 8-cell battery included

Full Connectivity
Includes USB 3.0, HDMI, VGA, Ethernet LAN, SD Card and Kensington slot

Proven Durability with EasyGuard™
Drop-tested, spill-tested keyboard and pressure-tested

Blazing Fast SSD
Up to 30% faster performance and lower power usage compared to HDDs

Toshiba Hi-Speed Start
Instant-on with 2-second sleep resume and 13-second hibernate resume

Long Battery Life
Enjoy many hours of uninterrupted usage with high-capacity Li-Ion battery

Toshiba Audio Enhancement
Crisp and clear audio quality even in noisy environments

Magnesium Alloy Chassis
Exquisitely stylish exterior crafted entirely from magnesium alloy

**For commercially available notebook PCs with 13.3-inch displays. Measured at the thickest part of the case, excluding the support on the base. As of September, 2011. Source: Toshiba Corporation.*

CPU performance may vary from specifications under certain conditions such as the use of battery instead of AC power, certain external peripherals, certain multimedia applications or network connections, complex modeling software and in areas with low air pressure at high altitude (1,000 metres above sea level) and/or certain temperatures. CPU performance may also vary from specifications due to design configuration. Under some conditions, your computer may automatically shut down as a normal protective measure. To avoid risk of lost data, please make periodic back-up copies. For optimum performance, use your computer only under recommended conditions. Please read detailed restrictions in the product resource guide, visit the Toshiba web site: http://pc.toshiba-asia.com and/or contact Toshiba Technical Support. Graphics processor unit (GPU) performance may vary depending on product model, design configuration, applications, power management settings and features utilized. Part of the main system memory may be used by the graphics system and therefore reduce the amount of main system memory available. For PCs configured with 4 GB of system memory, the full system memory space for computing activities will be considerably less and will vary by model and system configuration. One GB means one billion bytes; accessible capacity may be less. Wired and wireless communication capabilities to be applied in countries where approved. Battery life may vary depending on applications, power management settings and features utilized. Recharge time varies depending on usage. Battery may not charge while computer is consuming full power. After a period of time, the battery will lose its ability to perform at maximum capacity and will need to be replaced. This is normal for all batteries. To purchase a new battery pack, see your accessories information that shipped with your computer or visit the Toshiba website http://pc.toshiba-asia.com Small bright dots may appear on your TFT display when you turn on your PC. Your display contains an extremely large number of thin-film transistors (TFT) and is manufactured using high-precision technology. Any small bright dots that may appear on your display are an intrinsic characteristic of the TFT manufacturing technology. Weight may vary depending on product configuration, vendor components, manufacturing variability and options selected. Please check your system specifications to ensure optimal results. Certain notebook chassis are designed to accommodate all possible configurations for an entire product series. Your selected model may not have all the features and specifications corresponding to all of the icons or switches shown on the notebook chassis.

ARE YOU EASY GUARDED?

A sign of quality and reliability in Toshiba's business notebook PCs.

www.AreYouEasyGuarded.com

Toshiba recommends Windows® 7.

No Compromise, Simply Perfection.

It started with a simple idea – to create the perfect Ultrabook™, unbelievably thin & light with no compromise in durability, features and performance. It was no small task, leveraging on more than 26 years of notebook PC expertise and industry-leading Toshiba technology to overcome all engineering limitations.

PORTÉGÉ Z830 Ultrabook™

The World's Most Complete Connectivity in an Ultrabook™

The PORTÉGÉ Z830 is the only Ultrabook™ to boast a complete range of ports including USB 3.0, HDMI, VGA, Ethernet LAN, SD Card and Kensington slot, making it the practical choice that will work anywhere, anytime without needing additional port adaptors.

The World's Thinnest & Lightest* 13.3" Ultrabook™

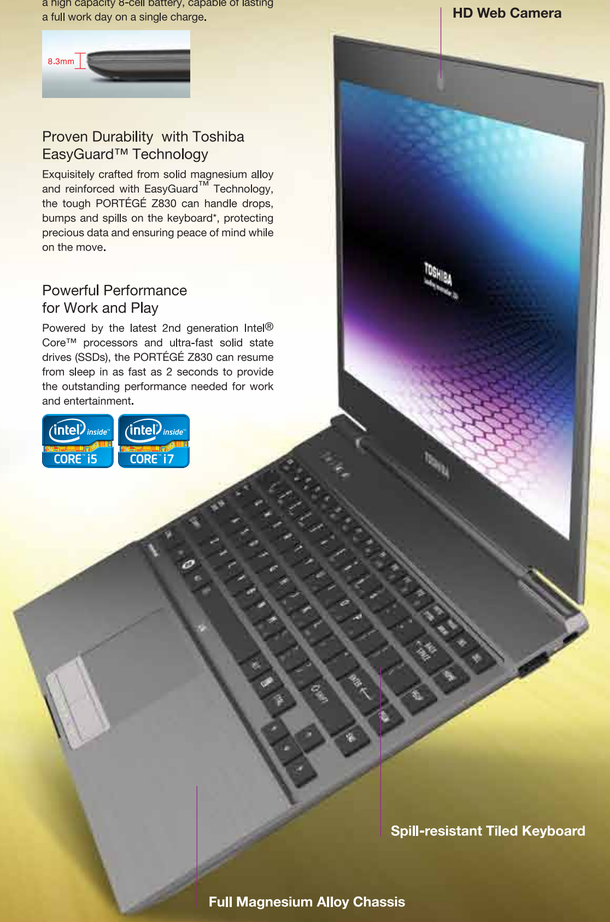
Tapering to a mere 8.3mm at the thinnest point with a breathtakingly light 1.12kg chassis, the PORTÉGÉ Z830 is thinner and lighter than any other Ultrabook™ in its category. This incredible package features a 13.3" HD LED display and a high capacity 8-cell battery, capable of lasting a full work day on a single charge.

Proven Durability with Toshiba EasyGuard™ Technology

Exquisitely crafted from solid magnesium alloy and reinforced with EasyGuard™ Technology, the tough PORTÉGÉ Z830 can handle drops, bumps and spills on the keyboard*, protecting precious data and ensuring peace of mind while on the move.

Powerful Performance for Work and Play

Powered by the latest 2nd generation Intel® Core™ processors and ultra-fast solid state drives (SSDs), the PORTÉGÉ Z830 can resume from sleep in as fast as 2 seconds to provide the outstanding performance needed for work and entertainment.



Specifications

CPU Technology*
Intel® Core™ i5-2467M Processor (with Turbo Boost Technology up to 2.3GHz, 1.6Hz, 3M Cache)
Intel® Core™ i7-2677M Processor (with Turbo Boost Technology up to 2.9GHz, 1.8Hz, 4M Cache)

Operating System*
Genuine Windows® 7 Home Premium 64-bit
Genuine Windows® 7 Professional 32-bit
Genuine Windows® 7 Professional 64-bit

Chipset
Mobile Intel® HM65 Express Chipset

System Memory
4096MB DDR3 1333MHz SDRAM expandable up to 6144MB
6144MB DDR3 1333MHz SDRAM

Display
13.3" WXGA HD LED Backlight TFT display (16:9), resolution 1,366 x 768

Graphics
Intel® HD Graphics, up to 1696MB total available graphics memory

Hard Disk
128GB Solid State Drive

Pointing Device
Touchpad with multi-gesture support

Communications
Bluetooth V3.0 w/ High Speed Technology, Integrated 802.11bgn, 10/100/1000Mbps LAN

Built-in Camera
Built-in 1.3M HD Web Camera with Toshiba SmartFace™ Technology

Sound System
Stereo Speakers, 16-bit Stereo with Intel® High Definition Audio Support

Interfaces
1xUSB 3.0, 2xUSB 2.0, RGB, HDMI, SD Card Reader (supports MMC, SD, SDHC, SDXC, miniSD**, microSD**), External mic/headphone ports, Kensington slot

Battery Type
8-Cell Lithium Ion (Fixed)

AC Adapter
45W Universal AC Adaptor

Security and Protection
Fingerprint Reader-Single Sign On, Spill-resistant keyboard, Trusted Platform Module (TPM)*

Physical Dimensions
316.0 x 227.0 x 8.3/15.9mm

Weight
Starting from 1.12kg

Color Variation
Magnesium alloy with brushed silver finish

Warranty*
1-year carry-in International Limited Warranty (parts & labor), 1-year battery (carry-in)
3-year carry-in International Limited Warranty (parts & labor), 1-year battery (carry-in)

Bundled Software*
Microsoft® Office Starter 2010, Norton Internet Security™ (60 days trial), Microsoft® Windows Live (Windows Live Mail, Windows Live Messenger, Windows Live Photo Gallery, Windows Live Writer), Microsoft® Bing, Toshiba ConfigFree™ Connectivity Doctor, Toshiba Face Recognition, Toshiba ECO Utility, Toshiba Bulletin Board, Toshiba ReelTime, Toshiba Power Saver Utility, Toshiba Assist, Toshiba PC Health Monitor, Toshiba Security Assist, Toshiba HDD Protection, Toshiba Video Player*, Adobe Reader, Toshiba Speech System, Toshiba Zooming Utility, Toshiba Web Camera Application, Toshiba Disc Creator, Toshiba Flash Cards, Toshiba Sleep Utility, Toshiba Audio Enhancement, HDD Recovery

* Depending on configurations
** Requires card adaptor
